

Fast VAX Facts Mobile App Available for Download NOW!

The Ohio Chapter, American Academy of Pediatrics (Ohio AAP) and the Ohio Department of Health are excited to announce the **Fast VAX Facts** Mobile App is now available in the Apple App Store and Google Play! The app is a new way for parents to get trusted, factual information on immunizations. Features include:

- A series of short videos recorded by a pediatrician on targeted topics that address the most common immunization questions and concerns.
- An interactive immunization schedule customized by child's age
- Trusted answers to frequently asked questions
- Breaking news alerts on outbreaks, new research and other important immunization headlines
- Pediatrician-approved links and resources
- The ability to share reliable facts and resources with friends and family at the push of a button

Hundreds of people have downloaded **Fast VAX Facts** and are seeing the benefits!

“It's great! I love having all the facts in one place that I can access quickly when I have a question.”
Kristen Hankins, mother-of-two

Fast VAX Facts is updated as new information on immunizations become available. The Ohio AAP reviews content for accuracy monthly.
