

“My teen is healthy, she doesn’t need an appointment each year...” THINK AGAIN!

Your teen still needs a comprehensive well care visit each year to assess his or her overall health and well-being.

Well Care Visit

Immunizations
to protect against dangerous diseases

Personal & family history

Evaluation of risk factors
for substance abuse, mental health, reproductive health, long-term health

Screenings and guidance
for vision, hearing, sexually transmitted infections, pregnancy, alcohol or drug use, emotional well-being, body image, education & driving

Confidential discussion
of new issues or concerns with your trusted physician

Head-to-toe examination
and review of health including bloodwork, heart evaluation, blood pressure, physical development and skin evaluation

\$0

The Affordable Care Act requires no out-of-pocket payment for well care visits.

Everyone ages 11-18 needs an annual well care appointment.

Schedule a well care visit for your teen today!
