GRATITUDE: The quality of being thankful

The Ohio AAP Foundation Pillar is thankful for YOU – our members, partners and supporters. We are grateful for each one of you who has worked with the Ohio AAP to improve children’s lives.

Last year, because of YOU, we provided 10,000 bike helmets.

Because of YOU we made 250 million media impressions on child health topics.

Because of YOU we reached 720,000 children through CME programs.

All of this was accomplished because YOU either sponsored, attended or supported one (or maybe all) of our Ohio AAP Foundation Pillar programs or fundraising events in 2019. Thank YOU for your generosity!

Together, we are making a difference in the lives of the children we serve, but we can do even more and we need your help. Last year, YOU helped us raise more than $30,000 from our events.

Thank YOU in advance for your support of Ohio’s Children so that they can achieve their dreams!
