Child Abuse and Neglect Prevention Regional Training Series

OHIO AAP IS PROVIDING EDUCATION TO EMPOWER PROVIDERS TO RECOGNIZE AND PREVENT FURTHER INJURIES.

SESSION 1: Preventing Abuse through Sentinel Injuries
April 6 • 1:00 – 4:00 pm
Presented by: Jonathon Thackeray, MD, FAAP,
Chief Medical Community Health Officer at Dayton Children’s Hospital

Nearly 1 in 3 abused children has been seen previously by a medical provider with an injury that was not recognized as abuse. These injuries, known as “sentinel injuries”, are often minor – an isolated bruise or a small lesion to the mouth, for example. Because they often appear so seemingly minor, however, these sentinel injuries may not be recognized as abuse.

In one afternoon, experts will provide evidence-based education and resources to improve your ability to recognize and prevent further injuries.

SESSION 2: Implicit Bias in June
SESSION 3: Human Trafficking in August
SESSION 4: Social Determinants of Health in October

Dates, locations and additional details for sessions 2-4 will be announced soon!

Participating providers will be prepared to:
• Improve ability to recognize and address risks for child abuse and neglect
• Increase utilization of resources available to address risks with families when identified
• Understand impacts of social determinant of health on lifelong outcomes
• Increase knowledge of screening tools and opportunities to identify social determinant needs
• Improve recognition and further assessment of possible sentinel injuries in infants
• Assess for human trafficking and utilize best-practices in suspected cases
• Understand and lessen the impact of bias in recognizing and addressing child maltreatment

Target Audience: All Ohio physicians, social workers, advocates and parents

This education is FREE and all attendees will receive 3 hours of CME credit!

CME Statement:
The Ohio Chapter, American Academy of Pediatrics (Ohio AAP) is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.

The Ohio AAP designates this live activity for a maximum of 3 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
