

Traffic Crashes are the leading cause of death for teenagers in America.

One teen dies in a traffic crash about once every hour on weekends, nearly once every two hours during the week.

TEENS ARE INVOLVED IN THREE TIMES AS MANY FATAL CRASHES AS ALL OTHER DRIVERS.

YOU can make a difference. It takes everyone in our communities, working together to address an issue as serious as safe teen driving.

PARENTS: Make sure your teen is ready for the responsibility of driving unsupervised. Download our parent-teen driving contract to help you establish appropriate guidelines. Everyone who downloads a contract will be entered to win a \$100 gift card.

ORGANIZATIONS: Share our messages with your audiences through newsletters, social media or by posting our flyers and we will list you as a PACT supporter on our website.

TEENS: Create a video you think will influence your peers and help them understand that it takes time and experience to become a good driver. The winning entry will be used to promote our program throughout the state.
