

# YOUR CHILD'S DEVELOPMENT IS A JOURNEY

## How do I find out if my child is eligible for services?

If you, your child's doctor, or other care provider is concerned about your child's development, ask to be connected to Help Me Grow Early Intervention to find out if your child can get services to help. If your doctor is not able to connect you, you can reach out yourself. A doctor's referral is not necessary.

Simply call Help Me Grow and say, "I have a concern about my child's development and would like to have my child evaluated to find out if they are eligible for services." Or, visit the Help Me Grow website and submit an online referral.

Eligibility for early intervention services is based on an evaluation of your child's skills and abilities.
